ORIGINAL BEARD OIL

The product that started it all. Our Original Beard Oil was the first beard product on the Australian market almost 8 years ago. Customers in over 51 countries around the world now use our Original Beard Oil.

Product Overview:

Australia's first beard product took almost 9 months to develop. Our 100% natural Original Beard Oil is made from a unique blend of 11 base and essential oils including Australian Sandalwood, which takes 90 years to acquire from an Australian Sandalwood tree, Rosehip and Hempseed Oil which nourish and repair the skin. Our Original Beard Oil moisturises and softens the skin and beard, stops 'beardruff', and will leave your beard with a masculine scent of citrus, spice and forest.

ORIGINAL BEARD WASH

Winner of Best Beard Wash at the Swedish Grooming Awards 2017.

Our award-winning Beard Wash took over one year of R&D and testing on real beards to develop.

Product Overview:

Keeping in line with the high standards of our other beard grooming products, our Original Beard Wash is made in small batch quantities over an 8-week process. During this process called saponification, we turn pure oils such as coconut and olive oils into a liquid creating a truly unique beard wash that not only cleans your face, beard and body, but leaves out all the nasties. It leaves you feeling clean while moisturising your skin at the same time.

DEODORANT

Winner of Best Deodorant at the Swedish Grooming Awards 2017.

Taking care of the beard under your arms is just as important as the one on your face.

Product Overview:

Our military spec 100% natural deodorant is made right here in Australia and comes in two masculine scents; classic organic black pepper Spice and a citrus Lemon Myrtle. We've tested our deodorant under the toughest conditions to make sure it can handle what life throws at you. Whether you're a soldier in the field or under the pump in the office, The Bearded Chap deodorant stops unpleasant body odour and excessive perspiration, and maintains freshness. This natural deodorant is free of all types of Aluminum, Parabens and Triclosan's. It incorporates the soothing qualities of Sea Buckthorn Seed Oil. Being the closest oil to human sebum, Sea Buckthorn is a traditional remedy for skin care and protection and is used by Russian cosmonauts at the space station for radiation protection. Our deodorant is packaged in a traditional roll on glass bottle that is made from 40% recycled glass.
